Our diversity encompasses differences in ethnicity, gender, language, age, sexual orientation, religion, socio-economic status, physical and mental ability, thinking styles, experience and education. We believe this wide array of perspectives results in innovation and business success. Managing diversity makes us more creative, flexible, productive and competitive.

GQS rewards excellence and all employees are promoted on the basis of their performance. All managers are trained in managing diversity to ensure that employees are treated fairly and evaluated objectively.

GQS recognises that certain demographic groups have been historically disadvantaged. We understand that racism, sexism, homophobia and other forms of discrimination are problems for both our organisation and society as a whole. GQS is committed to tackling cultural stereotypes both within and outside our organisation. We have clear reporting structures for any type of discrimination or harassment with follow-up procedures to prevent future incidents.
